

Flow of Cases Through The Disability Process

Fiscal Year 2004 Data

In FY 2004, most allowances were made at the initial level (37 out of 53 that are allowed overall for every 100 cases). Only about 4 cases out of 100 go beyond the administrative hearings level, and less than 1 per 100 are pursued in Federal court.

Progression of Cases Through the Disability Process

(Note: Data based on total appeals in fiscal year 2004, not a longitudinal tracking of individual cases.)
